Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Several international criminal organizations want the super strategist/analyst known as Angel dead or captured, so she voluntarily lives sequestered and protected by a quasi-governmental organization. She s not yet 30 years old, and she hasn t left the building in more than two years. But everything she needs is brought in to keep Angel happy, including field-hardened military operatives who are hand selected to provide security for the eerily effective woman. When ex-Army Ranger and current DEA team leader Dakota is recruited to join the elite night team at the Palmer Building, he is stunned at some of the extra services being provided by certain members of the security detail. He s rocking the boat, but will the outrageously straight-forward and funny primary asset find a way to take him into her fold? Explicit sexual content - for readers 18 years and older.
