Human Kinetics Publishers, United States, 2012. Paperback. Book Condition: New. 246 x 213 mm. Language: English . Brand New Book. Creative Physical Education offers a flexible extended learning experience for children and teens that focuses on physical, cognitive, and interpersonal knowledge and skill development. A combination teacher s guide and student workbook, Creative Physical Education has everything you need, including a CD-ROM of printable and adaptable class materials. Creative Physical Education presents a project framework that you can adapt to fit the needs of your class. Great for physical education teachers looking for a fresh approach, Creative Physical Education also makes an excellent structured project for classroom teachers working with physical education. Creative Physical Education begins with a teacher s guide that details the underlying pedagogical models behind the project. Rather than focusing on one approach, Creative Physical Education integrates a number of pedagogical models and describes how these can be combined to form a creative PE project. This all-in-one resource includes a student workbook with all the worksheets needed for each part of the project. The project worksheets are included on the accompanying CD-ROM and can be modified as needed and printed for use. In addition, homework items offer ways to reinforce concepts learned in class. Creative Physical Education progresses students through team building, game creation, organizing a season, and practicing skill development. In the first part of the project, you ll help students discover the essentials of working in teams, the benefits of a team approach, and characteristics of successful teams. The developing teams will then create their own games. Creative Physical Education provides you with all the necessary tools and ideas for this task. Through this section, the student teams discuss the ingredients of a game, plan their own team game, and teach it to other teams...
