Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Flying Saucers is a diner in Seven Pines, Pennsylvania, bearing memories of, well, depends who you ask. For Johnny Flash--fastest cook in Westmoreland County--it s all folk legend: speed, weed, and greed. Something, in all categories, Gray Palmer might know too much about. That s cool, so long as UFO enthusiasts keep buying his self-published books. Just Moody, Flying Saucers founder, has read them all--even the good ones. Agoraphobia provides quality reading time, when he s not straining his 67-year-old bones supervising Kat (willowy Slavic import who mixes a groovy white-trash Russian), Billy (big-hearted prankster; master absinthe bootlegger), and the Polack (hot for Kat and drumming for local low-rock band, Dangerous Loners). For all in Saucers and Seven Pines, the craziness of everyday survival is about to change. An Internet leak, claiming the town hides a deadly Cold War relic, pulls in strangers. UFO sightings (or military hoaxes?) mount. So does bizness--good and ill. Bacon and bullets please--the future holds a gun. And one pissed-off Russian spook. Considering Saucers fine eclectic menu, who cares if reality is eroding? Was it ever here at all? You can t be worrying about that shit. Life goes on. Stoic Johnny Flash is gonna have the weirdest--and fastest!--week of his life. For a guy so stark-raving sane, that oughta be easy, right? An uneasy mix of THE BIG LEBOWSKI and THE X-FILES, filtered through Cold War ghosts and a low-rock soundtrack capable of rendering an old-school Tom Waits hangover.
