Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. A full-length, standalone romance from the New York Times bestselling author of Archer s Voice. Grace Hamilton was the girl with a plan. She knew exactly where her life was going and prided herself on always achieving her goals. It was who she was, and how she lived her life. She never stepped outside the lines, and never considered what she might desire and whom she was actually trying so hard to please. Until him. Carson Stinger was a man who didn t play by any rules except his own. Working in the adult entertainment industry, he didn t care what others thought, and took each day as it came, no direction, no plan. He knew what women wanted from him and believed it was all he had to offer. Until her. When circumstances forced them to spend several hours together, they walked away changed. But for two people who never should have meshed, overcoming the reality of their vastly different lives wasn t possible. At least not yet. This is a standalone Sign of Love novel, inspired by Scorpio. Due to strong language and sexual content, this book is not intended for listeners under the age of 18.
