Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

(Dr. Willis Walter)

Wordsworth Editions Ltd. Paperback. Book Condition: new. BRAND NEW, Almayer's Folly / the Rover, Joseph Conrad, John Lester, Keith Carabine, From the rain forests of Almayer's Folly to the Mediterranean coast of The Rover, Conrad's first and final completed novels are played out against contrasting backgrounds. Almayer, in Borneo, is hopelessly obsessed by his deluded dreams for himself and his daughter, which take no account of her falling in love with a handsome Balinese prince. Peyrol, the rover, returns to a France at war and finds the actions of those around him still overborne by memories of revolutionary terror. For the orphaned Lieutenant Real and Arlette love offers release but their romance seems doomed by the demands of his naval duties. Conrad's acute understanding of human psychology and its application across racial and ideological divides is the life-force of both stories.
