## BY BLOOD

Pushkin Press. Paperback. Book Condition: new. BRAND NEW, By Blood, Ellen Ullman, Clare Skeats, From the acclaimed American novelist and memoirist Ellen Ullman, *By Blood* is a gothic noir novel that explores questions about fate, identity and genetics in the guise of a gripping psychological thriller. "Delicious and intriguing" Daily Telegraph A professor is on leave from his post a leave that may have been forced upon him. He may or may not be of sound mind. To steady himself, he rents an office in San Francisco. It is 1974, a time when free love and psychedelic ecstasy have given way to drug violence and serial killings. Through the thin office walls, the professor overhears the sessions of a therapist and a patient, and without knowing the patient's name or face he comes to know the details of her life, her family, her lovers. He inserts himself into her search for her "mysterious origins": a deeply troubling journey through displaced-persons camps, stolen children, and hidden pasts. Ellen Ullman is a writer of ferocious intelligence, and *By Blood* is thrilling and fraught, a darkly atmospheric tale of what we can know about our identity, what we can escape of it, and what we cannot. "A novel that thematically interweaves fate, identity, obsession and genetics into a propulsive page-turner that shows a profound understanding of character. It's a multilayered mystery (in the same way that Dostoyevsky was a mystery writer) and an inquiry into the subjective nature of narrative .A first-rate literary thriller of compelling psychological and philosophical depth" -Kirkus (Starred Review) "A thrilling page-turner of a book .Book clubs of America, take note. *By Blood* is what you should be reading. Ullman is someone we all should be reading." - Newsday "A literary inquiry into identity and legacy .A gripping mystery...
