Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

SHAMELESS (PAPERBACK)

Dell, United States, 2015. Paperback. Book Condition: New. Reprint. 170 x 104 mm. Language: English . Brand New Book. For readers of Linda Lael Miller and Susan Mallery comes New York Times bestselling author Joan Johnston s sizzling contemporary Western romance, where power, money, and rivalries rule and love is the best revenge. HER SHAMEFUL PAST MAKES HER AN OUTCAST UNTIL A LONE WOLF TAKES HER INTO HIS HOME. Scorned, pregnant, and facing a life without promise, Pippa Grayhawk is stunned when her father announces that they re leaving their home in Australia to take over his estranged father s sprawling Wyoming ranch. Drawn into bitter family rivalries and feeling like an interloper in her new home, Pippa rides out into the wilderness and meets an intriguing stranger and his pet wolf. The wolf doesn t scare her, but she s very much afraid to trust another man with her heart. Devon Flynn knows all about going it alone. He lives in an isolated cabin, away from his domineering father and the scandal surrounding his family. Devon s attraction to Pippa is intoxicating and undeniable, but when he tries to get close, she s as wary as his once-wild wolf. Devon is willing to defy his father, and hers, to claim Pippa as his own, but winning this wounded, wonderful woman s love might be the greatest battle of all. Praise for Shameless The large cast of characters adds to the allure as family secrets and past relationships come to light. Johnston s novel is a fast-paced, warm, and truly romantic story, and readers will savor the idyllic setting of the beautiful Wyoming countryside. Publishers Weekly Ah, the feud lives on Grayhawks versus Flynn. Life is good. Well, at least for the readers of this ongoing series by Joan Johnston....
