Oberon Books Ltd. Hardback. Book Condition: new. BRAND NEW, Apprenticeship, Peter Gill, "Apprenticeship" is Peter Gill's potent recollection of the changing theatrical landscape of the '60s. Part history, part memoir, part polemic, it puts into context his recently re-discovered 1962 diary, in which he recalls his experiences as a young actor in the RSC's pioneering production of "The Caucasian Chalk Circle," as part of their first London season. This intensely personal account, by turns witty and evocative, includes a penetrating analysis of the figures and themes of twentieth century drama and marks the beginning of Gill's development into one of the most influential playwrights and directors in the British Theatre.
