Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Can you recall victories in your life or do you feel pretty bloodied and bruised lately? I have good news—you have dynamic resources available. Remember, we put our foot on the neck of the enemy because Christ's foot is already there. The battlefield is the human mind, and Satan knows he has already been defeated. The Bible, in Ephesians 6, defines the full armor of God that believers can employ both defensively and offensively. However, Rev. Campos writes, having authority legally and using it experientially can be two very different things. Warriors offers a comprehensive study of the nature of spiritual warfare, the weapons provided for victory, and the simple yet profound truth believers must embrace in faith: Jesus totally conquered Satan and all demonic forces at Calvary. The victory has been won! Satan's authority over us has been removed, but we have to enforce that defeat.
