Echo

By Amanda Clay

Prizm. Paperback. Book Condition: New. Paperback. 204 pages. Dimensions: 7.9in. x 4.9in. x 0.5in. On the surface Emily Porter, aka Echo, has it all: plenty of money, a close-knit group of friends, permissive parents, a job in fashion. But what she really wants is less. Much less. Less food, less flesh, less fat, less of the body she sees as her captor and her cage. A chance to model in an upcoming Gothic fashion show is the perfect deadline, and Echo takes this opportunity as a challenge to achieve less -- a chance to reduce herself to nothing. At first the transformation is effortless. Echo loses weight, meets a new boy, hosts the social event of the holiday season. But soon there are problems: weakness, temptation, blackouts, freak-outs, trouble with family and friends. What begins as diet and exercise soon turns into blood, pain, obsession, and as Echo's mind and body begin to change so does her view of herself. She cannot see the woman in the mirror, nor the danger she is facing. Can she stop herself, see herself, before it's too late? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
