Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Library of the Palestine Pilgrims Text Society, Vol. 2 The first of the two tracts, of which the translations are now published, is attributed to Eucherius, Bishop of Lyons A. D. 434-50, a man of high social station, who, in A. D. 441, attended the first Council of Orange; and it is addressed to Faustinus, a priest of the monastery of Insula Barba. Whether Eucherius be the author or not, there can be no doubt that the Epitome was written before it had become the fashion to stimulate the devotion of pilgrims by the exhibition of relics connected with our Lord s Passion. It is impossible to assign an exact date to the tract, but the fact that only two churches are mentioned in connection with the Mount of Olives, whilst Theodosius (A. D. 530) mentions two basilicas and twenty-four churches, indicates that it belongs to the earlier and not to the later series of itineraries. Antoninus Martyr (A. D. 570) also alludes to many monasteries and places where miracles had been performed on the Mount of Olives. The contents of the Epitome are in perfect harmony with the information which an educated man, in the time of Eucherius, might have obtained by conversation with pilgrims, and by reading their letters and itineraries; and they may very probably have been written down about the year 440 A. D. The second tract, the Breviarius, is an ancient description of Jerusalem. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
