By Yael Ophir

Aeon Publishing Inc. Paperback. Book Condition: New. Paperback. 170 pages. Dimensions: 8.3in. x 5.4in. x 0.6in. This is the story of Ben, a two-year-old child diagnosed as autistic. The laws underlying the child's developmental capability are different from those governing adults, for children are blessed with wonderful recovery capabilities. Ben's journey took two and a half years. During this period each of his movements or non-movements was treated with a precise professional response, until he...
